CRICKET MEMORABILIA SOCIETY

POSTAL AUCTION

CLOSING AT NOON
5th JULY 2024

Conditions of Postal Sale

The CMS reserves the right to refuse items which are damaged or unsuitable, or we have doubts about authenticity.

Reserves can be placed on lots but must be agreed with the CMS. They should reflect realistic values/expectations and not be the “highest price” expected.

The CMS will take 7% of the price realised, the vendor 93% which will normally be paid no later than 6 weeks after the auction.

The CMS will undertake to advertise the memorabilia for auction on its website no later than 3 weeks prior to the closing date of the auction. Bids will only be accepted from CMS members.

Postal bids must be in writing or e-mail by the closing date and time shown above. Generally, no item will be sold below 10% of the lower estimate without reference to the vendor. Thus, an item with a £10-15 estimate can be sold for £9, but not £8, without approval.

The incremental scale for the acceptance of bids is as follows: £2 increments up to £20, then £20/22/25/28/30 up to £50, then £5 increments to £100 and £10 increments above that. So, if there are two postal bids at £25 and £30, the item will go to the higher bidder at £28. Should there be two identical bids, the first received will win. Bids submitted between increments will be accepted, thus a £52 bid will not be rounded either up or down.

Items will be sent to successful postal bidders within 3 weeks of the auction and will be sent by the cheapest rate commensurate with the value and size of the item. Postage and packaging will be paid by the successful postal bidder. Successful bidders should aim to pay quickly, so that accounts with vendors can be settled.

The CMS will be responsible for the items sent for auction while they are in the possession of the CMS.

A list of prices realised at an auction will be published on the Society's website.

Remember - it is the only cricket auction with no buyer's premium – and postage is charged at cost!

330. Ten Hampshire autographs each on an A4 sheet with the county banner to the top, player's name in bold and a box below containing the signatures. The signatories are: H S Altham* (1919-23) (a mark on the paper detracts from the quality of the signature); M J Bailey (1979-82); L J Botham (1996) (3 matches); G S Boyes* (1924-39); R R Dibden (1995) (5

matches); S R G Francis (1997-2000); T M Hansen (1997-99) (4 matches); J S Laney (1993-2002); Z C Morris (1998-2001) (2 matches) and R O Prouton (1949-54). Each sheet in excellent condition (but note Altham signature). * laid down Est. £15/20

331. Ten Hampshire autographs each on an A4 sheet with the county banner to the top, player's name in bold and a box below containing the signatures. The signatories are: J R Ayling (1987-93); Sir Russell Bencraft* (Henry William Russell) (1876-96); C C Curzon (1981) (1 match); J D Francis (2001-03); P J Hartley (1998-2000); A L Hosie* (1913-35); W S Kendall (1996-2004); S J Malone (1980-84); N E J Pocock (1976-84) and J A Tomlinson (2002-16). Each sheet in excellent condition. * laid down Est. £15/20

Sir Russell Bencraft only played 46 matches for Hampshire during his 20 year playing career as during that time Hampshire lost 1st class status, only regaining it in 1895. He occupied every office with the county, including club president. His nephew, Ernest Read, also played for Hampshire.

332. Ten Hampshire autographs each on an A4 sheet with the county banner to the top, player's name in bold and a box below containing the signatures. The signatories are: I Brunnschweiler (2000-03) (6 matches); N G Cowley (1974-89); D I Gower (1990-93); A E L Hill* (1920-30) (18 matches); A K Judd* (1925-35); A D Mascarenhas (1996-2013); N T McCorkell (1932-51) (short signed note included); R J Parks (1980-92); J W Southern (1975-83) (interesting signed handwritten letter on King's College, Auckland notepaper) and L R Worrell (1969-72). Each sheet in excellent condition. * laid down Est. £12/15

Brunnschweiler became a successful coach with the MCC and has held a similar position with Southampton FC. Judd had a short playing career with Hampshire but represented MCC and others, perhaps the most interesting being four matches for Nigeria. Worrell's cousin was Sir Frank Worrell.

The signatories are: R G Caple (1961-67) (short signed letter from South Africa included); J R Gray (1948-66); S T Jefferies (1988-89); R J McIlwaine (1969-70) (4 matches); P J Sainsbury (1954-76) (618 matches – just for comparison!); K J Shine (1989-93); G R Stephenson (1969-80); M N S Taylor (1973-80); T M Tremlett (1976-91); S D Udal (1989-2007); I R Watson (1973) and G W White (1994-2004). Ian Watson's 1st class career is unusual, if not unique. He played one match for three different counties in 1969, 1971 and 1973, two being against universities and the Hampshire one against the West Indies. Thus, he never played in the County Championship.

David Graveney’s life has been devoted to cricket. He played extensively for Gloucestershire before his one season with Somerset. He moved to Durham, where he played in the match in which Brian Lara scored 501. Following his playing career he held a variety of different administrative positions. Brian Langford will be forever remembered for his bowling analysis in the JPL match in 1969 against Essex when his figures were 8-8-0-0. He remains the only person to have bowled his full complement of overs in a List A match without conceding a run.*
