# CRICKET MEMORABILIA SOCIETY

# POSTAL AUCTION

**CLOSING AT NOON**

**31<sup>st</sup> JANUARY 2025**

## **Conditions of Postal Sale**

The CMS reserves the right to refuse items which are damaged or unsuitable, or we have doubts about authenticity.

Reserves can be placed on lots but must be agreed with the CMS. They should reflect realistic values/expectations and not be the "highest price" expected.

The CMS will take 7% of the price realised, the vendor 93% which will normally be paid no later than 6 weeks after the auction.

The CMS will undertake to advertise the memorabilia for auction on its website no later than 3 weeks prior to the closing date of the auction. Bids will only be accepted from CMS members.

Postal bids must be in writing or e-mail by the closing date and time shown above. Generally, no item will be sold below 10% of the lower estimate without reference to the vendor. Thus, an item with a £10-15 estimate can be sold for £9, but not £8, without approval.

The incremental scale for the acceptance of bids is as follows: £2 increments up to £20, then £20/22/25/28/30 up to £50, then £5 increments to £100 and £10 increments above that. So, if there are two postal bids at £25 and £30, the item will go to the higher bidder at £28. Should there be two identical bids, the first received will win. Bids submitted between increments will be accepted, thus a £52 bid will not be rounded either up or down. Any bids submitted with pence, ie. £5.20 or £5.80, will be rounded up.

Items will be sent to successful postal bidders within 3 weeks of the auction and will be sent by the cheapest rate commensurate with the value and size of the item. Postage and packaging will be paid by the successful postal bidder. Successful bidders should aim to pay quickly, so that accounts with vendors can be settled.

The CMS will be responsible for the items sent for auction while they are in the possession of the CMS.

A list of prices realised at an auction will be published on the Society's website.

***Remember - it is the only cricket auction with no buyer's premium – and postage is charged at cost!***

**79. New Zealand World Cup team 1979.** A small oblong 4 sided card which may have been issued by Stamp Publicity in this format. The title is on the cover, the reverse being blank. Inside on the right is the photograph of the team by Stamp Publicity, to the left are the autographs of the 14 players. However, the thickness of the card covers doesn't help in identifying whether the signatures are printed or real. My thoughts are the latter but caveat emptor. Excellent Est. £8/12

**80. Lancashire Former Players 2011.** A 'Bill' card with 15 **signatures** including Colin Hilton, Geoff Pullar, Ken Standring, Albert Lightfoot (who spent his latter years in the north west but never played for Lancashire), Bob Entwistle, John Roberts. Bill Heys and Harry Farrar. VG Est. £8/15

**81. Small single card (about playing card size) for a 'Grand Cricket Match at Read** between Read and A J Birtwell's XI, 16<sup>th</sup> June 1937. Constantine played for Read with Martindale and Amar Singh playing for A J Birtwell's XI. These three played as professionals for Burnley, Nelson and Colne respectively at the time. This is an extremely rare item with outstanding signatures. VG Est. £40/60

**82. Lancashire's Unique Double in 1990.** An A4 card which can be folded in three, vertically, issued to celebrate Lancashire winning both the B&H Cup and NatWest Trophy in the same season. *Bowring Brothers was a Newfoundland based operator of retail stores. In the late 19<sup>th</sup> century they chartered a ship to carry fish to Sydney. Both envelopes are date stamped 'Deal, Kent 1<sup>st</sup> July 1985 Cricket on Goodwin Sands and KCCC Project 85'. The first shows a reproduction of a rare print from *The Illustrated London News* of 1854 depicting a scene from an earlier match on the Sands. **241. Australia v West Indies 1989.** A strange combination of a commemorative cover (not sure of what) with the three Australia Test cricket centenary 1877-1987 stamps date stamped 27 Jan 1989 Sydney, the second day of the match. To the left is a caricature of W A Oldfield (played for NSW but was neither born nor died on the date of the stamp) and **signed** by Merv Hughes, a Victorian, who also wasn't born on the day of the stamp. Mounted on an A4 sheet of card in a plastic wallet. As new Est. £6/10

To the left is a picture of the Ashes. After that build up you're expecting a Bradman signature or, at least, an Australian – but no! It's **signed** by Darren Gough, that son of Barnsley who, incidentally, took 5-96 and 2-54 and troubled the scorers just a little bit. Mounted on an A4 sheet of card in a plastic wallet. As new Est. £6/10

This issue was timed to coincide with the opening of the Commonwealth Games in Edinburgh and the cricket stamp commemorates the 50<sup>th</sup> anniversary of the King George V Playing Fields; **(2)** a vertical strip of five of the cricket stamps which illustrate a dry print of the black colour in the stamp. You need to see this to appreciate it, but the Royal Cipher, Guernsey and 14p in the lowest stamp is grey, whilst those items in the higher stamps is black but it requires close inspection to ascertain whether the second stamp is truly black or one of the shades of grey – don't go further! **(3)** an envelope with the 14p cricket stamp on an envelope stamped to bottom left 'Guernsey Sports 86'. Each is mounted on an A4 sheet of card in a plastic wallet. All as new Est. £5/8
